Copper is said to be selling at 16% a pound and some sales have been made at 16%. This is the cause of the especial strength in the metals. Rubber directors will meet today and are expected to have a new financing plan of

Improved Investment Buying on Local Security Market-Prices Firm.

There was a decided improvement in the volume of business in local securities both in bonds and in stocks. Gas 5's and Traction 5's were the leaders n the bond group, nearly \$20,000 par value changing hands at 111 for the former and 110%@111 for the Traction 5's, with the bulk of the trading in the latter. Railway 4's sold at 86%, and the Potomac Consolidated 5's were slightly lower at 102%. Trading was entirely of the investment order. Railway common attracted consider-

Railway common attracted considerable atention at 89½. The preferred off from 9½ to 9½ coming back to 9½. Capital Traction showed on the sales list for the first time in several days and several points higher, 125½ being the ruling price.

Three quotation lots of Gas brought 85%. It is reported that insiders are quietly taking on a little stock.

Of the typsetters, Mergenthaler was steady at 217, Lanston quiet but firm at 94.

#### Judge Says Brandt Must Serve His Term

NEW YORK, May 21.—The appellate division today denied a motion made by Mirabeau L. Towns on behalf of Foulke Mirabeau L. Towns on behalf of Founds
H. Brandt for a stay of the previous
order remanding him to Dannemora
prison. The court says that no reason
is shown why an order staying the proceedings should be granted, and that if
the judgment of the courts is correct
"the proper place for the prisoner is in
State's prison serving out his sentence." Brandt, therefore, will be returned to Dannemora.
